

Maintenance Fitter

At **Greyhound Recycling**, we are passionate about developing innovative solutions that shape tomorrow's world. We are a fast-growing company dedicated to building a greener and cleaner future.

We are currently seeking a **Maintenance Fitter** to join our team at our Material Recovery Facility (MRF) in Dublin. This role is essential to ensuring the operational efficiency and reliability of our equipment and processes in a fast-paced environment.

PRINCIPAL ACCOUNTABILITIES

- Conduct routine maintenance, servicing, and repairs on fixed and mobile equipment, including conveyors, shredders, balers, and sorting machinery, to minimise downtime.
- Troubleshoot mechanical and hydraulic systems using diagnostic tools and technical schematics.
- Perform scheduled preventative maintenance in line with manufacturer recommendations and company standards.
- Ensure that all work is carried out safely and efficiently, complying with health, safety, and environmental regulations.
- Collaborate with the maintenance and operations teams to prioritise repairs and ensure seamless workflow continuity.
- Maintain an organised and safe work environment by adhering to housekeeping standards and the 5S methodology.
- Participate in the installation and commissioning of new equipment, ensuring optimal setup and integration with existing systems.
- Accurately document maintenance activities, including inspections, repairs, and inventory usage, using the company's maintenance management system.
- Assist in identifying process improvements to enhance equipment performance and extend operational lifespan.
- Support emergency maintenance tasks as needed to address unexpected breakdowns or issues.

REQUIREMENTS

- Proven experience as a mechanical fitter in an industrial or production environment, ideally within waste management or material recovery.
- Strong technical knowledge of mechanical, hydraulic, and pneumatic systems.
- Ability to read and interpret technical manuals, schematics, and blueprints.
- Practical experience in welding, fabrication, and equipment assembly.
- Demonstrated commitment to health and safety protocols.
- Excellent problem-solving skills and ability to work effectively under pressure.
- Flexibility to work in a fast-paced, team-oriented environment, with occasional shift work as required.
- Relevant qualifications in mechanical or industrial fitting are highly desirable.

WHAT WE OFFER:

- Full-time position with long-term career growth opportunities.
- A competitive salary package.

Join our team and be part of a company dedicated to creating a sustainable future. If you're a skilled and safety-conscious fitter looking for your next challenge, apply today! Contact us on hroffice@greyhoundrecycling.com or visit <https://greyhound.ie/>
