

## HGV Mechanic

### ABOUT US:

At Greyhound Recycling, we are committed to creating innovative, sustainable solutions. As a fast-growing leader in waste management and recycling, we are passionate about building a greener, cleaner future. Our mission is to turn waste into energy and implement cutting-edge recycling practices that advance the circular economy, ensuring resources are used efficiently.

### ROLE OVERVIEW:

We are currently seeking an **HGV Mechanic** to join us in Dublin on a full-time, permanent basis. If you're eager to be part of a mission-driven company at the forefront of sustainability, this is your opportunity! The successful candidate will play a key role in ensuring the maintenance, repair, and efficiency of our fleet. All of our operational processes focus on facilitating recycling, composting and working towards a Greener, Cleaner world. The ideal candidate will possess strong technical knowledge of engines, cabs, chassis, RCV bodies, lifting equipment, and weighing systems. Candidates with general HGV experience and a willingness to learn specific skills related to RCVs and associated equipment will also be considered.

### DUTIES

- Perform routine servicing and repairs on HGVs, covering engines, brakes, suspension, hydraulics, electrical systems, and specialist equipment such as packing systems, lifting equipment, and weighing systems.
- Use diagnostic tools and equipment to identify faults and carry out necessary repairs on vehicle systems, including mechanical, electrical, and hydraulic components.
- Prepare vehicles for CVRT tests, LOLER tests, and 13-week inspections, ensuring all work meets regulatory and safety standards.
- Investigate and resolve complex issues to ensure all vehicles meet operational standards.
- Replace worn or defective parts such as tyres, brakes, steering systems, and other critical components.
- Conduct regular inspections to ensure all vehicles comply with legal and safety regulations.
- Maintain accurate records of all work performed, including inspections, repairs, and parts used, in line with company policies and legal requirements.
- Work closely with the workshop team and third-party contractors to prioritise workloads and ensure minimal downtime for vehicles.
- Attend to roadside vehicle breakdowns when required.
- Adhere to health and safety guidelines, ensuring the workspace remains clean and safe.

### REQUIRED SKILLS

- Proven experience as an HGV technician or similar role, with hands-on expertise in heavy-duty vehicle maintenance.
- Relevant mechanical qualifications (QQI or equivalent).
- Comprehensive understanding of HGV systems, engines, and diagnostics.
- Strong diagnostic and fault-finding skills.
- Experience with diagnostic equipment and maintenance tools.

- Familiarity with health and safety regulations within a mechanical workshop.
- Full driving licence (HGV licence preferred but not mandatory)
- Effective verbal and written communication abilities,
- Proficiency in spoken and written English.
- Excellent focus on detail.
- Capacity to work independently or collaboratively.

#### **WHAT WE OFFER:**

- Full-time position with potential for advancement in the career
- A brisk and friendly atmosphere.
- Further Educational opportunities
- Become a part of a remarkable family-oriented business

#### **WHY JOIN US?**

This is an exciting opportunity to play a key role in shaping the future of a market-leading organisation. We offer a competitive salary, performance-based incentives, and a comprehensive benefits package.

Join us to make a tangible difference in both business success and environmental impact. If you would like further information on the position, please don't hesitate to contact us on [hroffice@greyhoundrecycling.com](mailto:hroffice@greyhoundrecycling.com) or visit <https://greyhound.ie/>
